Mathematics Achievement Fund

Orientation Meeting for
New Grant Recipients
2015-2017

Meeting Reminders

There are several participants online today and we want to keep the meeting **focused** and as **brief** as possible.

- Please MUTE your microphone while others are talking.
- Please keep questions related to material being discussed in today's meeting. If you have more specific questions related to your school's implementation, we will answer those via email.
- If you have questions, please type them in the chat box and we will answer them as soon as possible.
- Today's meeting is being recorded. The link to the recording will be sent out by Monday, May 4th.

Agenda

- ☐ **Introductions**

 - RFA Summary
- ☐ **How to Prepare for the First Year**
 - Read your Proposal
 - Guidance on Hiring
 - What to Order and When to Order
 - Training Dates
- ☐ **What to Expect**
 - Requirements
 - Support Visits
- ☐ **Who to Contact**
- ☐ **Questions**

Introductions

Who's online today?

KCM

- Implementation
- Training/Support
- Program Evaluation

KDE

- General Grant Requirements
- Grant Compliance
- Budgets
- Data

Grant Highlights

For primary students struggling with meeting grade level or benchmark expectations for mathematics.

Background

KRS 158.844, the mathematics diagnostic assessment and intervention services and program(s) selected must be:

- provided to a student by a certified teacher with training in mathematics diagnostic assessment and intervention services
- based on reliable, replicable research; and
- based on the ongoing assessment of individual student needs.

MITs

- Must be a certified teacher with at least 3 years of primary teaching experience

Programs

- Add+Vantage MR
- Assessing Math Concepts by Kathy Richardson
- Do the Math by Marilyn Burns
- Math Recovery
- SRA Number Worlds

RFA Highlights

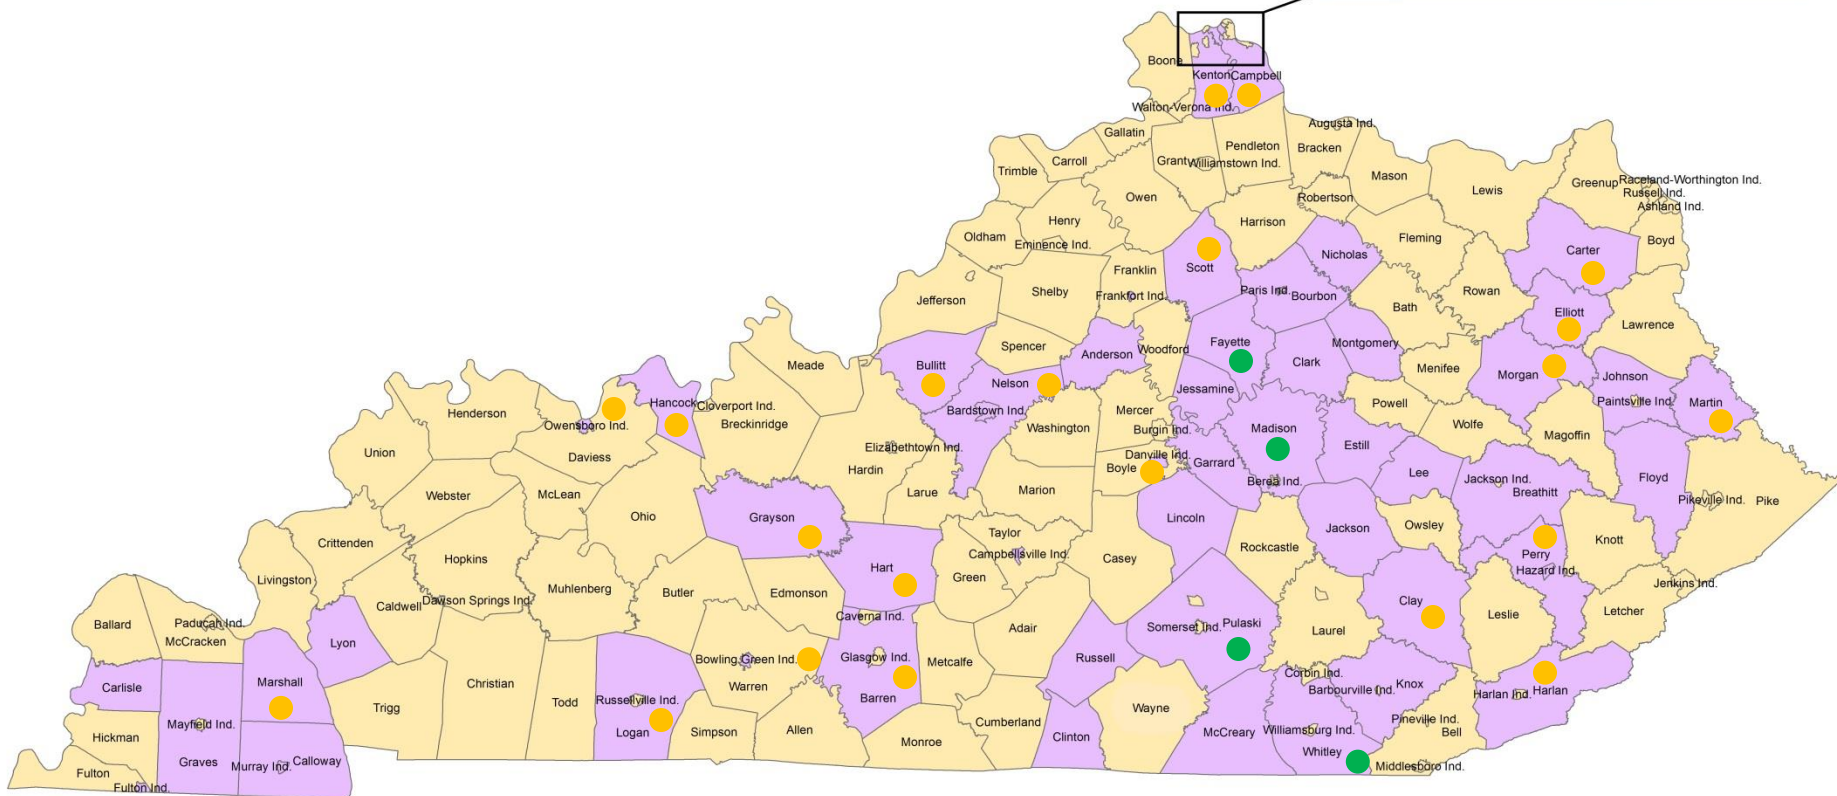

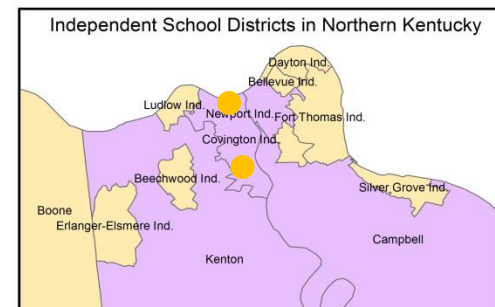

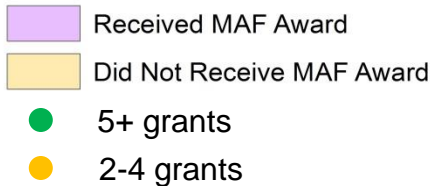

- 258 Applications Submitted and Scored
- Scoring
 - November 12th - 14th, 2014
 - 60 Scorers
 - 49 had grant experience
 - 21 retired teachers
 - 1 current teacher
 - Each application read three times

RFA Highlights

113 schools awarded \$41,000

- to support training of one full-time teacher per school
- renewable for two years
- renewal will be contingent on successful implementation of intervention components, demonstrated student progress and the availability of funds

MAF Awards
